**Written Comments Explaining Grade:**

Note: You will receive a recommendation of Poor, Satisfactory, Good, or Excellent on the above aspects. This is meant to provide an overall impression of each section of your project but does not map directly to a final grade. E.g., just because you get all “Good” ratings does not mean you automatically get a ‘B’. The evaluator will base your final grade on the overall quality of your project, taking into account all of the above listed sections where some may be emphasized more than others.
